

AABF Board Meeting Notes May 25, 2011

Location: Black Forest Subway
Time: 6:00pm - 7:00pm

Present: Tera Stevens, Andrea Nagy, Mike Lujan, John Trcka, Shari Conley
Agenda Items:

A. Rental Shed: Andrea and Shari will coordinate getting the rental shed and the Park and Rec people together so that the shed can be placed at the park prior to the Clinic.

B. Medals: Several catalogs are available from Crown Awards. It has been noted that if we order earlier in the season, we have a better chance of getting better choices. We will review this again prior to the beginning of the games when we have a more accurate head count.

C. Players Clinic: This meeting was primarily devoted to discussing the players clinic. It was agreed that we will try to get additional help to run the stations so that any new and/or interested coaches could go between stations to get practice, play, and coaching ideas. We have decided upon the following six stations:

- 1) Dribbling/Blocking/Special Moves
- 2) Passing/Receiving /Trapping
- 3) Shooting/Kicking
- 4) Goal Keeping
- 5) Drop Kicks/Punting/Receiving
- 6) Corner Kicks/Throw Ins/Goal Kicks

We will try to get a minimum of 2 persons or more to run each station during the clinic. Some board members, experienced coaches, and volunteers will be running the stations. The participants will start at which ever station they like, but should rotate the same direction every 20 minutes or so. We will need a whistle to indicate time periods.

D. Meeting Adjourned: Agreed to communicate by email or phone until the next meeting on 6/01/2011, at 06:00pm at the Black Forest Subway.
